Wonderful Curb Appeal! Sacrifice - owner needs to move! We have taken the price right down to the bottom. This large beautiful home is 5BR/3BA on a huge lot. The fenced swimming pool is pristine and the rest of the backyard hosts volleyball surrounded by numerous sego palms and fruit trees. You can pot your own plants at the gardening stand, also enjoy a fun patio with a built-in bar. RV parking for boat, travel trailer or extra car. One of the bedrooms has it's own entrance which would be great for an office, another bedroom is being used as a home gym with an adjoining bath & a hot rock sauna. An indoor brick BBQ & a new range & oven compliment the kitchen, just pull up a stool at the breakfast bar & visit the cook. There is plenty of room for entertaining & raising a large family. There are multiple phone jacks through out the house and the built-in desks & bookcases in two of the BD's offer great study areas for the kids. This is a wonderful neighborhood just south of the Sunnyside Country Club.
